"Creating Global Citizens"

Newsletter 2023-24 Second Edition

From Principal's Desk

Dear Parents,

Wish you all a very happy & Prosperous New Year!

I extend my heartfelt gratitude to each and every one of you for making our Dandiya Fest and Community Helping Programme an extraordinary success. The collective efforts and support from our vibrant community have truly made a positive impact. Our Dandiya Fest was a celebration of culture, community spirit and togetherness

The support extended to those in need demonstrates the strength of our collective compassion. The impact of your contributions will be felt by many and I am proud to be part of a community that cares deeply about the well-being of its members. Let us continue to build on this positive momentum and work together to create an even stronger and more supportive community.

As we move forward, let us embrace the trimester ahead with enthusiasm and determination. Together, we shall continue to create an environment where each student can thrive academically, socially, and emotionally.

I extend my heartfelt gratitude to all parents, teachers, and students for being the pillars of support in our school's growth and success. Your involvement and encouragement continue to inspire us to reach greater heights.

One word of request to all "Promote kindness: Use respectful and decent language. It fosters a positive environment and enhances communication within our community."

Best Wishes,

Padmaja Chavali
